Nguni guestroom in a traditional homestead

CRADLE OF LIVING AFRICAN CULTURE

WWW.LESEDI.COM

Lesedi African Lodge and Cultural Village is situated in the heart of the Cradle of Humankind, a World Heritage Site. This unique village showcases the traditional lives of the Zulu, Sotho, Xhosa, Pedi and Ndebele ethnic groups of South Africa.

Guestrooms have been constructed in each homestead offering the unique opportunity of staying with a rural African family with all modern home comforts.

heartbeat of Africa

The Monati (lunch) and Boma (dinner) cultural experiences are 2h30 programs - A traditional welcome by the multi-cultural inhabitants of Lesedi starts the experience. In to the Ndebele theatre for an audio-visual presentation depicting the colourful lifestyles of the groups. Then on to a guided tour through the five 'Umuzis' (homesteads) followed by an exciting tribal dance display, before participating in the Pan African feast incorporating dishes from South, East and North Africa, in the famous Nyama Choma Restaurant - The Greatest African Feast!
